PROFESSIONAL SUMMARY

Virtual executive assistant and accounting admin with 13 years of full-time remote experience supporting a Canadian point-of-sale and equipment leasing company. Managed the full back office — independently — across two related business entities and a 17-account cross-border US and Canadian dealer network: AP/AR, bank reconciliation, parallel CAD and USD operations, collections, executive correspondence, vendor coordination, lease administration, and financial reporting.

Cleared a 3-month accounts receivable backlog and resolved 90% of outstanding balances in 60 days. Maintained ISO 9001 and 14001-compliant records independently for over a decade. Available immediately for remote roles.

EXPERIENCE

Virtual Executive Assistant & Accounting Admin

Aug 2013 – May 2026

Condor Solutions Ltd. · Remote — Canada

Back-office support for a Canadian point-of-sale company — remotely, independently, for 13 years.

- ▶ Managed executive correspondence, scheduling, and vendor and client communication on behalf of senior management
- ▶ Handled full-cycle accounts payable and receivable, invoicing, bank reconciliation, and collections follow-up in QuickBooks Online
- ▶ Produced financial reports and monitored customer account status, escalating delinquent accounts through a structured collections process
- ▶ Maintained ISO 9001 and ISO 14001-compliant document records independently — consistent, organized, and audit-ready throughout entire tenure
- ▶ Operated across multiple platforms: ConnectWise, CAFT, Global Payments, and Microsoft Excel

Key result: Inherited a 3-month accounts receivable backlog and resolved 90% of outstanding balances within 60 days — without disrupting any ongoing operational responsibilities.
